WINERIES of Nillumbik

Nillumbik wines are classically Yarra Valley yet with a special complexity and intensity of flavour produced by our unique terroir.

The award winning vineyards and wineries of Nillumbik are small, boutique operations run by owner operators. The grapes are hand picked and wines hand-crafted, with some vintages only produced in limited quantities.

Wine makers and growers know their vintages intimately and can give an insight into their unique wine making styles.
